

Terms and Conditions

The Terms and Conditions (the “**T&C**”) apply to the buyer of the Vestarin token (“**VST**”) and future user of the Vestarin platform. You should carefully read the T&C, as well as the white paper of the Vestarin project before participating in the crowdsale.

Applicability

The following T&C constitute the agreement (the “**Agreement**”) between Vestarin (hereinafter “**Vestarin**” or the “**Company**”), and you (the “**User**”) with respect to the purchase of the Vestarin Token and the future services offered through the Vestarin platform. By using our services, you are agreeing to be bound by the T&C in its latest version. You are aware that Vestarin may change this T&C at any time. Your continued use of the Vestarin Platform means that you accept any new or modified terms.

Services

Vestarin is a Blockchain based platform, where users can buy services and goods from sellers for VST tokens. Business owners can integrate their shops and services to sell their goods and services for VST tokens. Owners of ICO can integrate their offers. And users, among which are specialists, developers etc., can give a comments and estimates to that offers, it will minimize the risks for investors. Platform will also contain a huge amount of information about all the blockchain technologies and news.

The Vestarin Token (VST)

We aim to reward all Vestarin Token holders by distributing part of accrued commissions in the Asset contract, allocating at least 50% of all platform earnings to systematic Buy-back and Burn programs. Such repayment program sets best practices for the new economy, and simultaneously serves in the best interest of Vestarin token holders.

VST does not have the legal qualification as a security. VST is final and non-refundable. VST is not a share and does not give any right to participate in the general meetings of Vestarin. VST will not have a particular usage outside the Vestarin platform. The purchase of VST shall therefore not be done for speculative usage.

VST can be purchased during the crowdsale directly from the Company or after the crowd sale at the Company or exchanger.

Any future User purchasing VST expressly acknowledges and represents that she/he has carefully reviewed the T&C and fully understands the risks, costs and benefits associated with the purchase of this token as indicated in the T&C.

Knowledge required

A future User undertaking to purchase VST in relation to the token sale should ensure that she/he understands and has significant experience of cryptocurrencies, blockchain systems and services, and that she/he fully understands the risks associated with the token sale as well as the mechanism related to the use of cryptocurrencies (incl. storage).

Vestarin shall not be responsible for any loss of VST or situations making it impossible to access to VST, which may result in any actions or omissions of the future User or any person undertaking to acquire VST.

Risks

Acquiring VST involves various risks, in particular that Vestarin may not be able to launch its operations and develop its platform. Therefore, and prior to acquiring VST, any future user should carefully consider the risks, costs, and benefits of acquiring VST within the crowdsale, and, if necessary, obtain independent advice in this regard. Any interested person who is not in the position to accept or to understand the risks associated with the crowdsale (incl. the risks related to the non- development of Vestarin platform and operations) or any other risks as indicated in the T&C, should not acquire VST, at this stage or later.

Self Acquisition

Vestarin is allowed to acquire VST from the market at market price as value disbursement method. The acquisition must be authorized by the Board of Directors, under the condition that no conflict of interests is identified. Through acquisition of VST, Vestarin is not allowed to perform operations such as manipulation of VST market.

Important Disclaimer

The T&C shall not and cannot be considered as an invitation to enter into an investment. They do not constitute or relate in any way nor should they be considered as an offering of securities in any jurisdiction. The T&C do not include or contain any information or indication that might be considered as a recommendation or that might be used to base any investment decision. VST is a utility token and is not intended to be used as an investment.

Vestarin will be an operative entity managing a platform and VST is only a utility token. Therefore, Vestarin is not a financial intermediary and is not required to obtain any authorization for anti-money laundering purposes.

Acquiring VST shall not grant any right or influence over Vestarin's organization and governance to the purchasers.

Employees of Vestarin are allowed to operate with VST at market price if they are in knowledge of information that may modify the price of the token.

Regulatory authorities are carefully scrutinizing businesses and operations associated to cryptocurrencies in the world. In that respect, regulatory measures, investigations or actions may impact Vestarin's business and even limit or prevent it from developing its operations in the future. Any person undertaking to acquire VST must be aware that the Vestarin business model and the T&C may change or need to be modified because of new regulatory and compliance requirements from any applicable laws in any jurisdictions. In such case, purchasers and any person undertaking to acquire VST acknowledge and understand that neither Vestarin nor any of its affiliates shall be held liable for any direct or indirect loss or damages caused by such changes.

Vestarin will do its best to launch its operations and develop the Vestarin platform. Any person undertaking to acquire VST acknowledges and understands that Vestarin does not provide any guarantee that it will manage to establish an operative platform and therefore it cannot guarantee that the VST can be used for social trading on the platform. They acknowledge and understand therefore that Vestarin (incl. its bodies and employees) assumes no liability or responsibility for any loss or damage that would result from or relate to the incapacity to use VST, except in the case of intentional misconduct or gross negligence.

Intellectual Property Rights

To the extent that copyright or other intellectual property rights exist in the Vestarin platform, such as software, know-how, analysis or programs, those copyrights and other intellectual and industrial rights belong to Vestarin.

Limitation of Liability

Vestarin, as well as its officers, directors, agents, joint ventures, employees and suppliers, assumes no liability or responsibility for any loss arising out of or related to the use of the Vestarin platform or any technical, interruption or malfunction of the platform.

The limitation of liability set out above shall not be applicable in the event that Vestarin, or a Vestarin-employee, has caused the damage by intentional misconduct or by gross negligence.

Severability

If any of the provisions of the T&C or of the Agreement are deemed to be invalid, void or unenforceable, the remaining provisions shall continue in full force and effect.
